GATHERING

Welcome and a Time of Greeting — Rev. Paula Womack

Invocation — Anne-Marie Burdo

Meditation

"Hope doesn't preclude feeling sadness or frustration or anger. Hope isn't an emotion, you know? Hope is not optimism. Hope is a discipline." –Mariame Kaba in *We Do This 'Til We Free Us: Abolitionist Organizing and Transforming Justice*

Prelude — David Wilson

***Call to Worship** — David Wilson

One: Beckoned to this place of belonging, we, of Umstead Park United Church of Christ, with body, mind, and spirit, gather to worship, serve, and proclaim God, unknowable mystery whose center is love, and Jesus the Christ, who makes this loving mystery known.

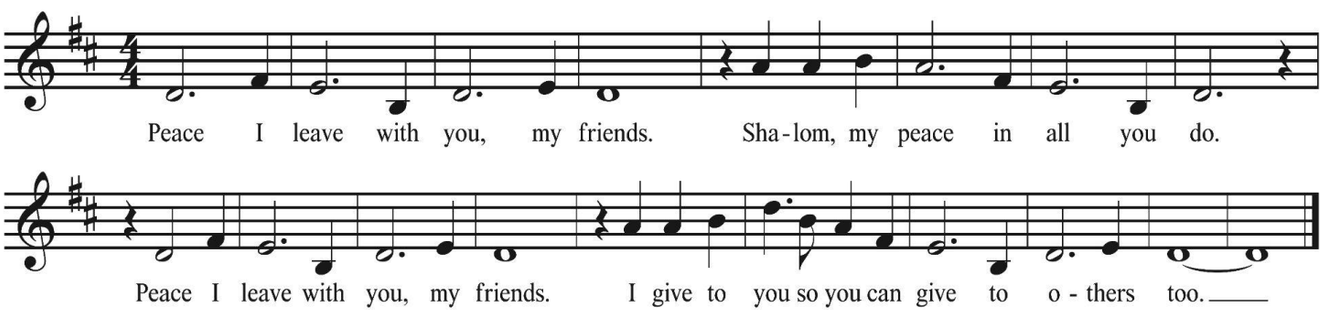

Many: With inarticulate words and unfinished lives, we yearn to further embody this holy love, shaping the future as partners with God, who dances and weeps with us along the way.

-from the UPUCC Covenant

We ask that you share carefully, knowing that we do not know what traumas people carry with them into this gathering and striving to not trigger or harm our neighbors. After each person shares, we will respond with: "**This is our prayer.**" To submit prayer requests for the weekly email, visit tinyurl.com/upuccprayers, or scan the QR code.*

Announcements

***Affirmation of Community** Anne-Marie Burdo

One: We believe that all people are God's people, that every child is holy, that every person is a part of the sacred family.

Many: We believe that God's love embraces all, and that to exclude any person would be contrary to the message of Jesus.

One: We proclaim that this community of faith, Umstead Park UCC, will strive to be as open as the radical realm of God, and as liberating as the love of Christ.

Many: And so we journey into our hopeful future with joy, pledging to offer each other welcome, compassion and care. May God grant us wisdom, grace, and guidance in our life together.

***Benediction** Rev. Paula Womack

Supplemental Hymns and Texts

Anthem "Imagine" UPUCC Choir

Imagine there's no heaven,
It's easy if you try
No hell below us,
Above us, only sky
Imagine all the people, Livin' for today

Imagine there's no countries,
It isn't hard to do
Nothing to kill or die for,
And no religion, too
Imagine all the people, Livin' life in peace

You may say I'm a dreamer,
But I'm not the only one
I hope someday you'll join us,
And the world will be as one

Imagine no possessions,
I wonder if you can
No need for greed or hunger,
A brotherhood of man*
Imagine all the people,
Sharing all the world

**At UPUCC, we strive to use inclusive language as much as possible. Given how beloved this song has been for decades, we decided to keep the phrase "brotherhood of man" intact. We lean into its intended message that all people in this world are part of one shared family of humankind, while knowing that we must continue to widen the tent to include more people with our words and actions.*

Reading of Scripture Philippians 4:1-9, *The Inclusive Bible* Anne Marie-Burdo

[1] For these reasons, my kinfolk—you whom I so love and long for, you who are my joy and my crown—continue, my dear ones, to remain firm in Christ Jesus. [2] I implore Euodia and Syntyche to come to an agreement with each other in Christ. [3] And I ask you, my loyal companion, to be a true comrade and help these coworkers. These two women struggled at my side in defending the Good News, along with Clement and the others who worked with me. Their names are written in the Book of Life. [4] Rejoice in Christ always! I say it again: Rejoice! [5] Let your gentleness be known to everyone. Christ is near. [6] Dismiss all anxiety from your minds; instead, present your needs to God through prayer and petition, giving thanks for all circumstances. [7] Then God's own peace, which is beyond all understanding, will stand guard over your hearts and minds in Christ Jesus. [8] Finally, beloveds, your thoughts should be wholly directed to all that is true, all that deserves respect, all that is honest, pure, decent, admirable, virtuous or worthy of praise. [9] Live according to what you have learned and accepted, what you have heard me say and seen me do. Then will the God of peace be with you.

Interested in Serving Communion?

Have you ever served communion? Would you like to? Would you like to again? Here at UPUCC communion is usually served the first Sunday of each month. All information you need is provided prior to Communion Sunday, and we review everything with you on Sunday morning. So, if you have never served before and would like to, or if you would like to serve again sometime, please let Jane W. know!

AV Team Volunteers Needed

Have you ever found yourself worshiping online? Was it valuable to you? Is being able to worship online a valuable service for our community? Do you value hearing great speaker audio and piano sound during the worship service? Have you ever used computer software, such as PowerPoint that required active monitoring and changes? If you answered, Yes to some of these questions, the AV Team needs you! While AV work may sound highly technical, it is not as complex (or frightening!) as some might think. Responsibilities are currently split between audio and video jobs. Audio monitors sound levels monitors onsite and online, making active adjustments. Video typically works with 2-3 software applications to do things such as aim the camera and transition between a service Welcome screen, onsite camera feed, and Celebration of Gifts screen, frequently with just the click of a button. Training is required. Perfection is not. With experience will come greater ability. But, experience can only come if you join us. So join us!! Reach out to Peter v.D. or Scott A. if you're interested!

Mutual Care Network

The UPUCC Mutual Care Network was designed to build a culture of helping one another, to foster genuine connections, and to ensure that no one feels alone. There are 2 parts: (1) Identifying volunteers who are willing to help out when covenant partners have needs. We want to emphasize that signing up and letting us know how you can help DOES NOT mean that you must respond to every request, but rather helps us know who might have the needed skills and/or desire to assist with a particular request; (2) Providing a way for covenant partners to easily request care help when they need it. We've identified individuals who are willing to provide care in areas such as running errands, tech help, pet care and so on. Please let us know what you are needing and we will do our best to pair you up with someone ASAP. Join the Mutual Care Network by scanning the QR code included here.

CLC Update: Building Community, Planning for the Future, and Getting Involved
There is a lot happening at UPUCC right now! The CLC spent its most recent meeting looking at our finances, planning for the coming year, supporting community-building efforts, and thinking about how we can invite more people into the work and life of the church. One of the biggest themes running through the conversation was simple: we have resources, energy, and ideas — and we want more people to help put them to work.

Looking Ahead to 2027
The CLC is beginning work on the 2027 Ministry Plan and Spending Framework. A Ministry Plan Task Force has been formed with Laura, Paula, Tyler, Gia, David W., and others working together to develop the plan. The goal is to think about the big picture first: What are the ministries and priorities that will shape our next year together? The spending framework will then follow from those priorities. This work will also connect directly with the upcoming Stewardship Campaign, so you can expect to hear more about how our shared financial resources support the ministry we do together.

There will be an important opportunity for the congregation to participate on Sunday, October 25, when we will consider the proposed Ministry Plan and 2027 Spending Plan at our Fall Congregational Meeting and Potluck. We will also share a State of the Congregation update, including work around rentals, outreach, the Masquerade, equity training, and more. We'll also take some time to look back at what we've accomplished this year — including Guns to Gardens and Out! Raleigh — and consider how those experiences can help shape the year ahead.

Our Finances: Resources and Responsibility
The CLC reviewed our year-to-date financial picture and approved the budget. Overall, we are tracking better against the budget than expected, which is encouraging. At the same time, there are some important things to keep an eye on. We currently have more than $13,000 in unallocated funds from the $30,000 budget. Unspent funds do not automatically carry over into the next year's budget; they go into our reserves. That raises an important question for all of us: What could we accomplish together if more people got involved in helping identify and carry out the ministries our congregation wants to support? There is also a significant change coming to our mortgage. For the past two years, we have been making interest-only payments, but that arrangement ends in April 2027. Beginning in May, our mortgage payments will increase significantly, making thoughtful stewardship and financial planning especially important.

A New Opportunity to Support Children in Foster Care
Emily proposed a new community service project supporting the Children's Home Society, an organization working with children in foster care. The idea is to hold a donation drive in spring or summer 2027 for items such as luggage, hygiene supplies, books, diapers, and other necessities. Emily is willing to lead the initiative, and the CLC approved $500 in seed funding to help get it started. There are still details to work out, including storage, whether the drive will be primarily internal or open to the wider community, and how youth might participate in deciding how funds are used. We may also have an opportunity to partner with other churches and organizations in our network. Want to help? Keep an eye out for more information as this project develops — or reach out if you would like to be part of the planning team.

* Please rise in body or in spirit.

Racial Equity Training Coming to UPUCC
The CLC also approved $8,500 to bring Organize Against Racism to UPUCC for a full two-day racial equity training. The training would accommodate up to 45 participants, with approximately 20–25 seats being filled by UPUCC and the remaining seats filled by the organization leading the training. The training will likely take place on a Friday and Saturday, with the possibility of scheduling it as early as late October or sometime in the coming year. The exact date is flexible and will depend on the organization's availability.

The training cost does not include food. A nominal registration fee — with the possibility of waivers — could potentially help cover catering and childcare. The CLC also discussed whether a book study or other introductory opportunity could happen beforehand to help people become familiar with some of the topics the training will address. This is an exciting opportunity not only for our own congregation but for the wider community. More details will be shared soon.

A Few Other Things Happening Around the Church

- Masquerade Dance: The CLC approved $1,500 for the Masquerade Dance Task Force to cover the DJ and photo booth. Tyler will also reach out to offer additional support. If you have been thinking about helping with the Masquerade, this is a great time to jump in.
- Garden: The CLC approved the purchase of a new garden pump. Funding will come first from the remaining Garden Fund, with any additional cost covered through general maintenance funds. The Garden Fund received ~$350 in recent directed donations.
- PACE: Peter has been doing significant organizing & education work at Healing Transitions. More updates about PACE and related work will continue to come through the church.
- Community Hour: Community Hour continues following its kickoff last week. The early conversations have had good energy, and there is an opportunity to keep building connection by sharing experiences, ideas, and stories with one another.
- Get Out the Vote: Upcoming activities include postcard writing and other opportunities to participate in civic engagement.
- CLC Membership: The congregation will vote after worship on Sunday, October 4, 2026, on accepting the new member-at-large and Moderator-elect to the CLC.

A Conversation About Bathroom Signage
The CLC also approved changes to the bathroom signage. The current male- and female-identified signs will be removed, and new signage will return to Male and Female designations. An informational poster will explain the history behind the signage and the church's evolving understanding and stance. The poster will be placed in the church-area hallway rather than the atrium. The CLC also discussed the possibility of a removable or more concise sign for the atrium on Sundays. The goal is to make sure the church's history and welcoming commitments are communicated clearly while preserving the important language developed for the informational poster.

How Can You Get Involved?
If there is one thing we'd love you to take away from this update, it's this: there are lots of ways to participate, and you don't have to join the CLC to make a difference. The CLC is working on big-picture planning, but the ministry of UPUCC happens because people throughout the congregation offer their time, creativity, energy, resources, and ideas. You could: help with the Masquerade, join the Ministry Plan conversation, help organize the Children's Home Society donation drive, participate in racial equity training, tend the garden, join Community Hour, come to an event, invite a friend, or start a conversation about something you'd love to see happen at UPUCC. If you've been wondering where you fit in, this is a great time to ask. Talk with a CLC member, a ministry leader, or someone else already involved. There is room for new ideas, new energy, and new people.

Next CLC Meeting: Sunday, October 11, 2026 at 12:00pm
Everyone is encouraged to stay connected, ask questions, share ideas, and find a way to be part of the life of our church.
