GATHERING

Welcome and a Time of Greeting — Rev. Tyler Ung

Invocation — Gwen Reagan

Meditation

"To pay attention, this is our endless and proper work." — Mary Oliver

Prelude — David Wilson

***Call to Worship**

One: Beckoned to this place of belonging, we, of Umstead Park United Church of Christ, with body, mind, and spirit, gather to worship, serve, and proclaim God, unknowable mystery whose center is love, and Jesus the Christ, who makes this loving mystery known.

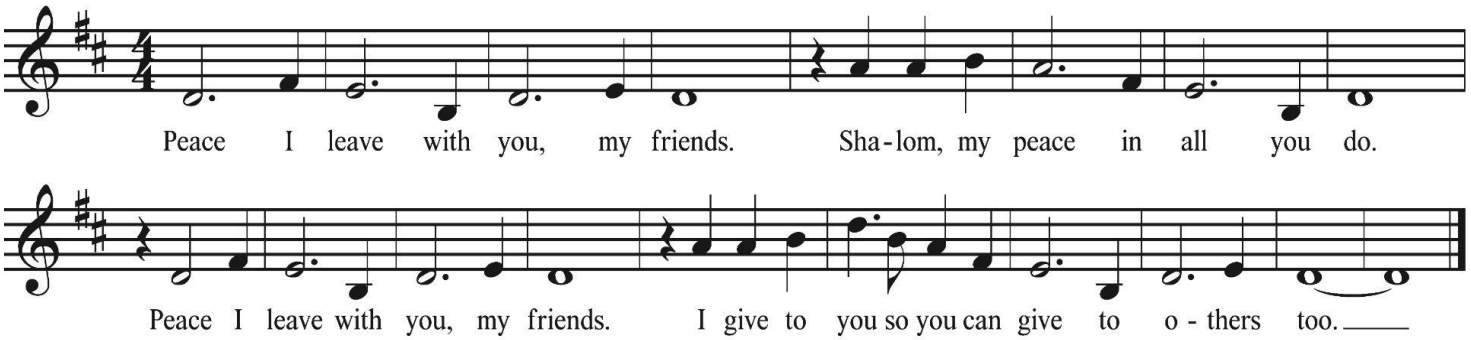

Many: With inarticulate words and unfinished lives, we yearn to further embody this holy love, shaping the future as partners with God, who dances and weeps with us along the way.

Announcements

***Affirmation of Community** Gwen Reagan

One: We believe that all people are God's people, that every child is holy, that every person is a part of the sacred family.

Many: We believe that God's love embraces all, and that to exclude any person would be contrary to the message of Jesus.

One: We proclaim that this community of faith, Umstead Park UCC, will strive to be as open as the radical realm of God, and as liberating as the love of Christ.

Many: And so we journey into our hopeful future with joy, pledging to offer each other welcome, compassion and care. May God grant us wisdom, grace, and guidance in our life together.

***Benediction** Rev. Tyler Ung

Postlude David Wilson

Supplemental Hymns and Texts

Anthem "This Little Light of Mine" UPUCC Choir
arr. Masa Fukuda

This little light of mine, I'm gonna let it shine.
We can all spread light, so I'm gonna let it shine.
I will stomp my feet, and I will clap my hands and shout.
I will run around, and I'll jump off the ground and shout.
This little light of mine, I'm gonna let it shine.

Reading of Scripture Wisdom of Solomon 6:12–16, *The Inclusive Bible* Gwen Reagan

[12] Wisdom shines brightly and never fades.
She is seen by those who love Her
and is found by those who seek Her.

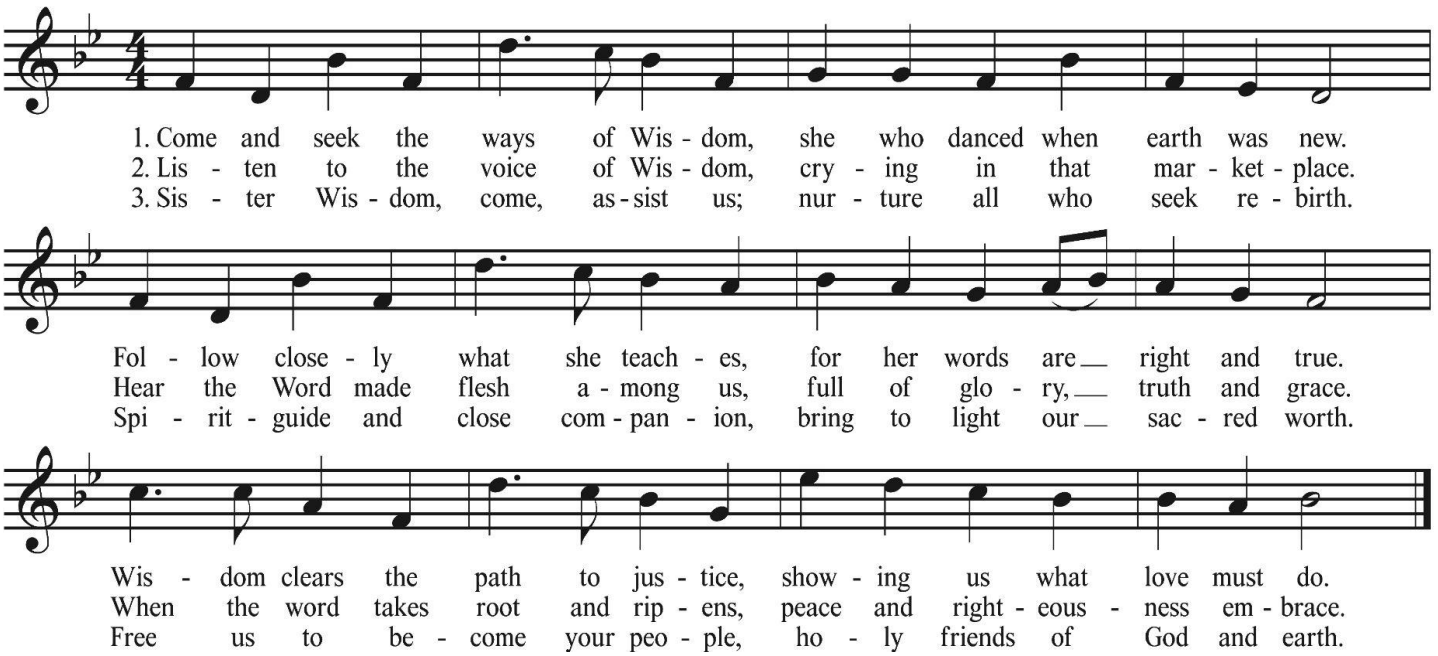

[13] She reveals herself
to all who desire to know Her,

[14] and those who rise early to search for Her
will not grow weary of the journey,
for they will find Her seated at the door of their own homes.

[15] To ponder Her is the fullness of Wisdom
and to be loyal in Her pursuit
is the shortcut to freedom from care.

[16] She searches the far ends of the earth
for those who are worthy of Her,
and She appears to them on their daily path with kindness,
meeting them halfway in all their journeys.

***Responsive Hymn** "Come and Seek the Ways of Wisdom" Congregation

* Please rise in body or in spirit.

Pledge Campaign

Our 2027 Pledge Campaign has officially begun! After listening to and reflecting on the stories shared in Home Groups, we have set a plan for our community and our ministry next year. We will focus on nurturing wonder & spirituality, building community, social & civic action, and embodying our values. Woven through all of these major areas is the work of sharing our story and engaging with the wider community so that we can live into what we say each and every week: 'All are welcome!'

To make this plan a reality, we have added time and talents to the pledge form. The ways that you volunteer and show up for our community are key to sustaining our community and helping it to flourish. For financial pledges, we are asking for an 8.5% increase to help us reach a sustainable budget for the work and growth we hope to realize.

With different ways to pledge and a hope for a fully engaged community, our goal is to have 100% participation in the pledge campaign this year. Even if you pledge $5 per month, to volunteer once per month, these contributions are vital toward reaching our goal and building a beloved community. Thank you for all that you give, and you can make your pledge today by scanning the QR code included here:

Currently we are at 19% – a good start, and some work still to do!

UCC Connections

Future of Faith: Embodiment & Co-creativity Starts At HOME. How does freedom feel, sound, taste, smell, and look when it moves beyond permission to do whatever one wills to a capacity to choose a love ethic no matter the circumstance? What's becomes possible within ourselves and our KINnections with each other every time we choose co-created faith in action, ethics engagement, and values embodiment. What does that even mean specifically in our day-to-day, and what does it take to be consistent in commitment? What's the role of Liberation Arts, Liberation Education, Liberation Psychology, and Liberation Theology—in building the intersections of "sites of resistance" that bell hooks described? Join the United Church of Christ for an engaging "Future of Faith" conversation called "Embodiment & Co-creativity Starts at HOME" on November 5 at 3:30 p.m. Eastern. We'll consider why embodied spirituality is urgently necessary for us today as we are called to be the hands and feet of Jesus.

Help Host Healing Transitions on First Sundays

We host our friends from Healing Transitions on the first Sunday of every month. If you would like to help with food, drink, and fellowship, sign up via the link on the website, or at the QR code. Get to know our neighbors!

AV Team Volunteers Needed

Have you ever found yourself worshiping online? Was it valuable to you? Is being able to worship online a valuable service for our community? Do you value hearing great speaker audio and piano sound during the worship service? Have you ever used computer software, such as PowerPoint that required active monitoring and changes? If you answered, Yes to some of these questions, the AV Team needs you! While AV work may sound highly technical, it is not as complex (or frightening!) as some might think. Responsibilities are currently split between audio and video jobs. Audio monitors sound levels monitors onsite and online, making active adjustments. Video typically works with 2-3 software applications to do things such as aim the camera and transition between a service Welcome screen, onsite camera feed, and Celebration of Gifts screen, frequently with just the click of a button. Training is required. Perfection is not. With experience will come greater ability. But, experience can only come if you join us. So join us!! Reach out to Peter v.D. or Scott A. if you're interested!

Want to Submit an Announcement?

Mutual Care Network

The UPUCC Mutual Care Network was designed to build a culture of helping one another, to foster genuine connections, and to ensure that no one feels alone. There are 2 parts: (1) Identifying volunteers who are willing to help out when covenant partners have needs. We want to emphasize that signing up and letting us know how you can help DOES NOT mean that you must respond to every request, but rather helps us know who might have the needed skills and/or desire to assist with a particular request; (2) Providing a way for covenant partners to easily request care help when they need it. We've identified individuals who are willing to provide care in areas such as running errands, tech help, pet care and so on. Please let us know what you are needing and we will do our best to pair you up with someone ASAP. Join the Mutual Care Network by scanning the QR code included here.

Next Meeting: Sunday, Nov. 8th at 12:00pm in the UPUCC Library & Online. All are welcome!

Our community continues to build momentum through ministry planning, outreach, fellowship, and opportunities to serve. At our recent meeting, the CLC discussed financial planning for 2027, community visibility, upcoming youth and family events, and ways to strengthen our shared ministry.

* Please rise in body or in spirit.

Looking Ahead to 2027
Planning is underway for our 2027 Ministry Plan and Spending Plan. This work will include both continuing ministries and new opportunities, with input from Home Groups helping shape the direction of our shared work. The congregation will have an opportunity to engage with these plans at the October 25 Congregational Meeting, where the proposed 2027 Spending Plan will be presented.

Sharing Who We Are
The CLC approved moving forward with the remainder of a publicity consulting contract to help strengthen our presence on social media and communicate the kind of welcoming community we strive to be. Recent posts highlighted several important observances, and the group affirmed the value of this outreach.

Youth, Families, and Community Events
There are several exciting opportunities to connect, learn, and celebrate in the weeks ahead!
October 25: Congregational Meeting, including the presentation of the proposed 2027 Spending Plan.
October 30: Masquerade Ball! Preparations are well underway, and volunteers are needed to help with setup, chaperoning, and cleanup. Please help spread the word to families and friends.
November 1: Button Memorial Service.

Financial Stewardship
The CLC reviewed the year-to-date financial picture and discussed the Thompson Fund, which is now held at Southern Bank. Twenty percent of rental income is returned to the fund. As we look toward 2027, thoughtful financial stewardship remains an important part of sustaining our ministries and supporting the work we do together.

Growing in Community
Community Hour continues after Sunday worship, and recent postcard-writing activities have been well received. It is encouraging to see so many meaningful offerings taking shape across our community. Thank you to everyone who contributes time, energy, generosity, and care. Whether you volunteer at an event, participate in a Home Group, support our ministries, or simply invite someone new to join us, you help make this community what it is.

New Task Forces Starting Up
We are forming 2 Task Forces – one to help identify our publicity & communications strategy, and one to propose a cohesive technology platform.

<u>The Publicity and Communications Task Force</u>
The CLC recognizes that our path to growth is through communicating our core values across various platforms with invitations for people to join our efforts. A communications audit was recently completed by an independent consultant that looked at our existing communications practice and provided very tangible examples where we are executing well and areas for improvement.

* Please rise in body or in spirit.

In addition, these messages need to be tied into our publicity strategy. There are three areas for consideration: 1) Communications needed to function on a weekly basis (bulletins, Friday email, etc.); 2) Developing consistent messaging across social media platforms.; 3) Our priorities for publicity.

We are looking for 3 to 4 people, although more are welcome, for a 6-week period beginning in late October/early November and ending in mid-December. If you would like to participate, please reach out to Gia H., Laura C-S. or Tyler Ung.

<u>The Technology Strategy for Connection and Growth Task Force</u>
The CLC recognizes that our existing technology platforms are not effectively connected, leading to additional time and effort to update across systems. In addition, it makes it more difficult for Covenant Partners to interact with various aspects of the church (Contributions, Zoom links, announcements, prayer requests, etc.) and there is no connection between our on-site and on-line communities.

The task force is asked to review software options and evaluate their appropriateness and cost for adoption at UPUCC, with a goal of eliminating extra steps while providing greater Covenant Partner connection. In addition, the task force will look at the skills needed to perform day to day tasks and identify any unique skills needed. We are looking for 2 people, although more are welcome, to join a core team for a 6-week period beginning in late Oct./early Nov. and ending mid-December. If you'd like to participate, reach out to Gia H., Laura C-S., or Tyler Ung.
